COMMUNITY *organizing*

TRAINING

Our Diocese is committed to helping parishes grow, change, and serve our communities.

It takes a community to bring about change in church and community and that is what Community Organising is all about.

It's about learning how. How to listen to others, how to make our voices heard, how change works, and developing relationships that motivate and last.

NEWS UPDATE

In July, after 777 conversations, nearly 50 Waltham Forest Citizens gathered at Cornerstone Church to decide, together, what themes we wanted to focus on towards our Accountability Assembly in April 2018:

- 1) Community cohesion
- 2) Affordable housing

Here are our next steps and what *you* can do:

1. Come to decide on our final theme and do some training on how to do effective research to create specific issues that the next Leader of the Council can commit to.
2. Share what we are doing with 1 other person in the parish & bring them along:
