

Chingford Parish Organ Scholarship

The Rector and Director of Music write:

We are looking for an undergraduate or post-graduate organist able to assist the Director of Music, Michael Emerson FRCO, by accompanying the choirs of Chingford Parish Church in Sunday morning or evening choral services and by directing the Choir.

At Chingford there is a Boys' Choir, Girls' Choir, Men's Choir and the Chingford Singers (a choir of Sopranos and Altos). The men sing with all of the choirs on different occasions. Also, on one or two occasions each year a Chamber Choir is formed from former girl choristers who have gone on to University.

This Parish Church maintains on Sundays and Feast days a full musical tradition such as one might find in a Cathedral - and it regularly sings in Cathedrals throughout England and Wales. There is an annual Cathedral Week in England and occasional visits to sing in European churches, such as Notre Dame, Paris, as well as venues in Rome, Venice Belgium and elsewhere. There has also been a USA tour to New York and Washington DC.

Music is a much-appreciated part of the life of the Chingford Parish and thus Choral Evensong is sung every Sunday. It is a tradition that the congregation sits and listens to the voluntary before exiting the church. More information about the choirs and music can be found on the Parish website <http://parishofchingford.org.uk/> .

This Scholarship is being offered for the first time. The appointed Organ Scholar would be in a position to influence the way the duties of the post are shaped in future years. The Post would initially be offered for one year but it could be extended annually thereafter. We are looking for someone who can take up the Scholarship for the period September 2019 to August 2020, although it may be possible to arrange a start earlier in 2019 on a separate basis.

Candidates will need some practical experience of playing for choral services (including Anglican chant) and preferably some knowledge of cathedral-standard choral repertoire. Their organ playing should be at level where they have, or could readily progress to, diploma status of a suitable institution. They must have the right to reside and work in the United Kingdom – this will be checked at interview.

The Organ Scholar would be expected to be in attendance at one or more weekly rehearsals and on most Sundays, at least for one of the services. However, we can be flexible in the detailed arrangements as, in addition to the Director of Music, there is an Organist Emeritus and other organists who on occasions accompany choral services and practices.

The Duties/Responsibilities

There would be opportunity to assist the Director of Music as required and by agreement in the tasks listed below. Not all will necessarily be needed each week but all will feature in the course of the Scholarship. The tasks are:

- training the Boys' Choir;
- training the Girls' Choir;
- taking rehearsals with the Men and the Chingford Singers;
- accompanying Choral Services;
- assisting with the training of choristers for the RSCM Awards Scheme;
- providing voluntaries when accompanying services;
- playing for the occasional non-choral service;
- planning, organising and participating in regular concerts and lunchtime organ recital series; and
- assisting with any other activities related to the musical offering of Chingford Parish.

Some 8 hours per week would typically be needed during choir term time¹ to prepare for and carry out these tasks. Leave would normally be taken outside of choir term and at school half-terms but other absences can be arranged, in particular to enable attendance interviews, auditions or examinations.

Organ Practice

The organs of the Parish Church and the Old Church (see below) and a good grand piano are available for personal practice and private teaching, by arrangement with the Director of Music. The specification of the 3-manual pipe organ at the Parish Church is at <http://parishofchingford.org.uk/wp-content/uploads/2018/11/Chingford-Parish-Organ-Spec.pdf> .

To arrange practice, a church diary booking arrangement exists and is used by the Director of Music, Organist Emeritus and others. The Organ Scholar would be given access to this.

Recitals and concerts

There is a programme of concerts in the church at least monthly throughout the year, with choral concerts by The London Forest Choir, South West Essex Choir, Harlow Chorus, and smaller scale recitals by soloists and ensembles. Our own choirs give occasional concert performances as part of this, including the popular annual Grand Christmas Concert with professional orchestra, and our annual Choristers' Musical Evening. During the summer there is an established and well attended series of Wednesday Lunchtime Organ Concerts, featuring the 'home team' of organists alongside guest recitalists.

The Old Church

The Organ Scholar may occasionally be required to play a Sunday morning service in this ancient original church of the Parish. It is located about a mile south of the Parish Church on a bus route. It has a 2 manual "Norwich" electronic organ.

¹ Choir terms are closely similar to state school terms. In addition, the Organ Scholar could be involved in services at Christmas and Easter and in the annual Cathedral week which takes place during the school summer holidays.

Chingford

Chingford is easily accessible on a TFL Overground line from Liverpool Street (a journey of about 28 minutes), Hackney Downs and Walthamstow (where there is connection with the Victoria Line.) There are also buses from Walthamstow and other parts of north east London coming into the bus terminus at Chingford Station, about 6 minutes' walk to the Parish Church.

Remuneration

£5,000 + some expenses. Payment will be made monthly in arrears. The Scholarship is not pensionable.

Accommodation

There is no accommodation available with this post.
